## **“Medicare Alphabet Soup”**

Bob Cleveland, BS, CIRS-A  
Director of Services, NIAAA

Tuesday March 16, 2010  
6 PM at University of Illinois College of Medicine - Rockford  
Room S232

Do you know your Medicare ABC's? Until a few years ago, there was just Part A and Part B of Medicare. Now there's Part C and Part D as well. And how do these Parts relate to Medicare supplemental insurance plans B or F or N? Many people are confused about their options when it comes to Medicare.

To clear up this confusion, Bob Cleveland of the Northwestern Illinois Area Agency on Aging will walk through each part of Medicare and help you understand it so that you can make informed choices concerning your healthcare coverage. You may come with questions, but you will leave with answers!
